

Lost – Linkin Park

Just a scar somewhere down inside of me
Something I can not repair
Even though it will always be
I pretend it isn't there
I'm trapped in yesterday
Where the pain is all I know
And I'll never break away
'Cause when I'm alone
I'm lost in these memories
Living behind my own illusion
Lost all my dignity
Living inside my own confusion
But I'm tired, I will always be afraid
Of the damage I've received
Broken promises they made
And how blindly I believed
I will never break away
'Cause when I'm alone
I'm lost in these memories
Living behind my own illusion
Lost all my dignity
Living inside my own confusion
I try to keep this pain inside
But I will never be alright
I try to keep this pain inside
But I will never be alright
I try to keep this pain inside (I'm lost)
But I will never be alright
I try to keep this pain inside (I'm lost)
But I will never be alright
I'm lost in these memories
Living behind my own illusion
Lost all my dignity
Living inside my own confusion
