

# Overflow – Linkin Park

It's all the same to me  
It's all the same to me  
It's all the same to me  
We're all dressed up for a riot  
Catching fire fighting fire  
I can feel the pressure coming  
End the world and push the button  
It's all the same to me  
We're going down, we're going down  
We're going down, we're going down  
It's all the same to me  
We're going down, we're going down  
We're going down, we're going down  
Turning from a white sky  
To a black hole  
Turning from the sunlight  
To a shadow, oh  
I know I can't make it stop  
I know I'm out of control  
I keep on filling it up  
To overflow  
Looking up the sky is falling, falling  
I can hear the future calling, calling  
Ground is shaking as it opens up to  
pull me in  
Fall into oblivion  
Fall into oblivion  
We're going down, we're going down  
We're going down, we're going down  
It's all the same to me  
We're going down, we're going down  
We're going down, we're going down  
Turning from a white sky  
To a black hole  
Turning from the sunlight  
To a shadow, oh

I know I can't make it stop  
I know I'm out of control  
I keep on filling it up  
To overflow  
To overflow  
To overflow  
To overflow  
To overflow
