

# Powerless – Linkin Park

You hid your skeletons  
when I had shown you mine  
You woke the devil  
that I thought you'd left behind  
I saw the evidence,  
the crimson soaking through  
Ten thousand promises,  
ten thousand ways to lose  
And you held it all  
But you were careless to let it fall  
You held it all  
And I was by your side  
Powerless  
I watched you fall apart  
and chased you to the end  
I'm left with emptiness  
that words can not defend  
You'll never know what I  
became because of you  
Ten thousand promises,  
ten thousand ways to lose  
And you held it all  
But you were careless to let it fall  
You held it all  
And I was by your side  
Powerless  
And you held it all  
But you were careless to let it fall  
You held it all  
And I was by your side  
Powerless!  
Powerless!  
Powerless!
