

The Emptiness Machine – Linkin Park

Your blades are sharpened with precision
Flashing your favorite point of view
I know you're waiting in the distance
Just like you always do
Just like you always do

Already pulling me in
Already under my skin
And I know exactly how this ends, I

Let you cut me open just to watch me bleed
Gave up who I am for who you wanted me to be
Don't know why I'm hopin' for what I won't receive
Fallin' for the promise of the emptiness machine
The emptiness machine

Goin' around like a revolver
It's been decided how we lose
'Cause there's a fire under the altar
I keep on lyin' to
I keep on lyin' to

Already pulling me in
Already under my skin
And I know exactly how this ends, I

Let you cut me open just to watch me bleed
Gave up who I am for who you wanted me to be
Don't know why I'm hopin' for what I won't receive
Fallin' for the promise of the emptiness machine

I only wanted to be part of something
I only wanted to be part of, part of
I only wanted to be part of something
I only wanted to be part of, part of
I only wanted to be part of something

I only wanted to be part

I let you cut me open just to watch me bleed
Gave up who I am for who you wanted me to be
Don't know why I'm hopin', so fuckin' naive
Fallin' for the promise of the emptiness machine
The emptiness machine

I only wanted to be part of something
The emptiness machine, oh
I only wanted to be part of
The emptiness machine
