

# Say You, Say Me – Lionel Richie

Say you, say me; say it for always  
That's the way it should be  
Say you, say me; say it together  
Naturally

I had a dream I had an awesome dream  
People in the park playing games in the dark  
And what they played was a masquerade  
And from behind the walls of doubt a voice was crying out

Say you, say me...  
Say you, say me; say it for always  
That's the way it should be  
Say you, say me; say it together  
Naturally

As we go down life's lonesome highway  
Seems the hardest thing to do is to find a friend or two  
That helping hand - Some one who understands  
That when you feel you've lost your way  
You've got some one there to say "I'll show you"

Say you, say me; say it for always  
That's the way it should be  
Say you, say me; say it together  
Naturally

So you think you know the answers - Oh no  
Well the whole world has got you dancing  
That's right - I'm telling you  
It's time to start believing - Oh yes  
Believe in who you are: You are a shining star

Say you, say me; say it for always  
That's the way it should be  
Say you, say me; say it together
