## All around the world - Lisa Stansfield

I don't know where my baby is But I'll find him, somewhere, somehow I've got to let him know how much I care I'll never give up looking for my baby Been around the world and I, I, I I can't find my baby I don't know when, I don't know why Why he's gone away And I don't know where he can be, my baby But I'm gonna find him We had a quarrel and I let myself go I said so many things, things he didn't know And I was, oh, oh, so bad I don't think he's coming back, mm, mhm He gave the reason, the reasons he should go And he said things he hadn't said before And he was, oh, oh, so mad And I don't think he's coming back, coming back I did too much lying Wasted too much time Now I'm here and crying, I, I, I Been around the world and I, I, I I can't find my baby I don't know when, I don't know why Why he's gone away And I don't know where he can be, my baby But I'm gonna find him So open hearted, he never did me wrong I was the one, the weakest one of all And now I'm, oh, oh, so sad I don't think he's coming back, coming back I did too much lying Wasted too much time Now I'm here and crying, I, I, I Been around the world and I, I, I
