

# Change – Lisa Stansfield

I could change the way I live my life today  
I wouldn't change a single thing  
'Cos if I changed my world into another place  
I wouldn't see your smiling face

Honey don't you worry, there's nothin' to worry for  
'Cos if I didn't love you I wouldn't be here now  
And if I didn't want you I would have turned around by now

You've got to believe me babe, I love you so  
'Cos if I didn't love you I would have turned around  
And if I didn't want you, then I would have wanted you out

This love, this love has filled me up  
Ooh my love I'll never give you up  
'Cos I'll always want your love

If I could change the way I live my life today  
I wouldn't change a single thing  
'Cos if I changed my world into another place  
I wouldn't see your smiling face

Believing is the answer, the answer to all your fears  
When I first said I loved you, I went in for the kill  
Now when I say I love you, I mean I always will

This love, this love has filled me up  
Ooh my love I'll never give you up  
'Cos I'll always want your love

If I could change the way I live my life today  
I wouldn't change a single thing

'Cos if I changed my world into another place  
I wouldn't see your smiling face

If I could change the way I live my life today  
I wouldn't change a single thing  
'Cos if I changed my world into another place  
I wouldn't see your smiling face
