## Close my eyes forever ft. Ozzy Osbourne – Lita Ford

Baby I get so scared inside And I don't really understand Is it love that's on my mind Or is it fantasy? Heaven Is in the palm of my hand And it's waiting here for you What am I supposed to do With a childhood tragedy? If I close my eyes forever Will it all remain unchanged? If I close my eyes forever Will it all remain the same? **Sometimes** It's hard to hold on So hard to hold on to my dreams It isn't always what it seems When you're face to face with me You're like a dagger And stick me in the heart And taste the blood from my blade And when we sleep, would you shelter me In your warm and darkened grave? If I close my eyes forever Will it all remain unchanged? If I close my eyes forever Will it all remain the same? Will you ever take me? No, I just can't take the pain But would you ever trust me? No, I'll never feel the same Oh I know I've been so hard on you I know I've told you lies

If I could have just one more wish I'd wipe the cobwebs from my eyes If I close my eyes forever Will it all remain unchanged? If I close my eyes forever Will it all remain the same? Close your eyes Close your eyes You gotta close your eyes for me
