Good enough - Little Mix

I am the diamond you left in the dust I am the future you lost in the past Seems like I never compared Wouldn't notice if I disappeared You stole the love that I saved for myself And I watched you give it to somebody else But these scars no longer I hide I found the light you shut inside Couldn't love me if you tried Am I still not good enough? Am I still not worth that much? I'm sorry for the way my life turned out Sorry for the smile I'm wearing now Guess I'm still not good enough Does it burn Knowing I used all the pain? Does it hurt Knowing you're fuel to my flame? Don't look back Don't need your regrets Thank God you left my love behind Couldn't change me if you tried Am I still not good enough? Am I still not worth that much? I'm sorry for the way my life turned out Sorry for the smile I'm wearing now Guess I'm still not good enough Release your curse 'Cause I know my worth Those wounds you made are gone You ain't seen nothing yet Your love wore thin And I never win You want the best So sorry that's clearly not me

This is all I can be

Am I still not good enough?
Am I still not worth that much?
I'm sorry for the way my life turned out
Sorry for the smile I'm wearing now
Guess I'm still not good enough
