

Last Man Standing – Livingston

I've been around the world
Seven wonders, seven seas
But when all is said and done
You're the only thing I see my love
So tell me what you're looking for?
You're written in the stories,
A living masterpiece
So when all is said and done
Why you standing next to me, my love?
So tell me what you're looking for?
And you said
I don't need a symphony
I just want your voice and a melody
I don't need your diamond rings
I just want your love, stop selling me
I don't need the wind that's
Underneath your wings
I just want to know when you're landing
You don't need to be the king
'Cause I just want the last man standing
Ooh, ooh
Oh-oh-oh-oh-oh-oh-oh
Ooh, ooh
Oh-oh-oh-oh-oh-oh-oh
Been around the world,
Lived a hundred fantasies
But when all is said and done
You're the only one I need, my love
Just tell me what you're looking for?
'Cause you don't gotta fight so hard
Darling, this is love not war
All I want is who you are
That's what I've been looking for
I don't need a symphony
I just want your voice and a melody
I don't need your diamond rings

I just want your love, stop selling me
I don't need the wind that's
Underneath your wings
I just want to know when you're landing
You don't need to be the king
'Cause I just want the last man standing
And you said
I just want the last man standing, now
(oh-oh-oh-oh-oh-oh-oh)
(Ooh-oo) and you said
I just want the last man standing
(oh-oh-oh-oh-oh-oh-oh)
Oh, I don't need a symphony (ooh-oo)
I just want your voice and a melody
(oh-oh-oh-oh-oh-oh-oh)
And I don't need your diamond rings (ooh-oo)
I just want your love, stop selling me
(oh-oh-oh-oh-oh-oh-oh)
I don't need the wind that's
Underneath your wings
I just want to know when you're landing
You don't need to be the king
'Cause I just want the last man standing
