## Last Man Standing – Livingston

I've been around the world Seven wonders, seven seas But when all is said and done You're the only thing I see my love So tell me what you're looking for? You're written in the stories, A living masterpiece So when all is said and done Why you standing next to me, my love? So tell me what you're looking for? And you said I don't need a symphony I just want your voice and a melody I don't need your diamond rings I just want your love, stop selling me I don't need the wind that's Underneath your wings I just want to know when you're landing You don't need to be the king 'Cause I just want the last man standing Ooh, ooh Oh-oh-oh-oh-oh-oh Ooh, ooh Oh-oh-oh-oh-oh-oh Been around the world, Lived a hundred fantasies But when all is said and done You're the only one I need, my love Just tell me what you're looking for? 'Cause you don't gotta fight so hard Darling, this is love not war All I want is who you are That's what I've been looking for I don't need a symphony I just want your voice and a melody I don't need your diamond rings

I just want your love, stop selling me I don't need the wind that's Underneath your wings I just want to know when you're landing You don't need to be the king 'Cause I just want the last man standing And you said I just want the last man standing, now (oh-oh-oh-oh-oh-oh) (Ooh-ooh) and you said I just want the last man standing (oh-oh-oh-oh-oh-oh) Oh, I don't need a symphony (ooh-ooh) I just want your voice and a melody (oh-oh-oh-oh-oh-oh) And I don't need your diamond rings (ooh-ooh) I just want your love, stop selling me (oh-oh-oh-oh-oh-oh) I don't need the wind that's Underneath your wings I just want to know when you're landing You don't need to be the king 'Cause I just want the last man standing
