

# Rainbow Ballerina – Liz Huett

[Verse]

When I look at my life  
Wanna see myself shine on the dance floor  
But I won't get it right until I stop asking why  
And just let it go  
Sometimes I take a look at my life  
I take a look at my life  
And say oh, oh  
Wanna get it, yeah  
Gotta get it, don't need a pot of gold

[Chorus]

Looking for the rainbow to break the storm inside of me  
The rainbow to take the clouds that hide in me  
All I want is someone to heal the heart of me  
The rainbow, it could be the start of me

[Verse]

Yeah, I'm down on my luck  
But I'm still looking up, got a way to go  
Gotta follow my gut, can't get stuck in a rut  
I've been there before  
Right now there's a road up ahead  
And it's dangerous, oh, oh  
Fear's gone, it's my marathon  
Maybe I'm getting close

[Chorus]

Looking for the rainbow to break the storm inside of me  
The rainbow to take the clouds that hide in me  
All I want is someone to heal the heart of me  
The rainbow, it could be the start of me

[Bridge]

Looking for the rainbow  
Everywhere that I go

Even in the shadows  
I'm looking for the rainbow  
When I'm at the end of my rope  
There's a destiny  
As though it was meant for me  
If I let it be

[Chorus]

Looking for the rainbow to break the storm inside of me  
The rainbow to take the clouds that hide in me  
All I want is someone to heal the heart of me  
The rainbow, it could be the start of me  
It could be the start of me  
It could be the start of me
