

# Unravel – Lizz Robinett

Oh won't you tell me,  
Please just tell me,  
What is it I've become?  
Just who's inside my heart  
That's tearing me apart?  
I'm broken, lying shattered,  
Crying within this dying world  
You keep laughing with me,  
Yet, you don't see a thing

I'm breaking down  
As the world around me  
Is slowly crumbling  
With every step,  
I can't catch my breath  
As the truth's unraveling (Freeze)  
Unbreakable, yet breakable  
Unstable, yet unshakable  
I'll find you after everything

I'm slowly but surely fading away to nothing  
My twisted existence is surely something  
that I can't escape  
So please just turn away  
I'd hate to harm you  
This life wasn't made for the weak and helpless  
And bringing you into this would be so senseless  
So all that I plead is you remember me  
As who I used to be

I'm falling into emptiness,  
Surrounded by this loneliness  
These memories of innocence  
Are flooding through my consciousness  
I can't escape, I can't escape,  
I can't escape, I can't escape,

I can't escape, I can't escape  
I'm unravelling the world

I look in the mirror and see but a stranger  
Our images are intertwined,  
But both of us are left behind  
Unbreakable, yet breakable  
Unstable, yet unshakable  
I won't let you be corrupted

I'm slowly but surely fading away to nothing  
My twisted existence is surely something  
That I can't escape  
So please just turn away  
I'd hate to harm you  
This life wasn't made for the weak and helpless  
And bringing you into this would be so senseless  
So all that I plead is you remember me  
As who I was before this

Please don't forget me,  
Please don't forget me,  
Please don't forget me,  
Oh don't forget me

Realizing who I have become,  
I lie here, paralyzed  
Surrounded by darkness,  
In this cruel paradise  
All that I can plead,  
Is you remember me

Won't you tell me,  
Just tell me please  
Just who's inside my heart  
That's tearing me apart?
