

I'd Love You To Want me – Lobo

When I saw you standing there
About fell off my chair
And when you moved your mouth to speak
I felt the blood go to my feet
Now it took time for me to know
What you tried so not to show
But something in my soul just cry
I see the want in your blue eyes
Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, You love me to want you
The way that I want to
If you only let it be
You told yourself years ago
It never let your feelings show
The obligation that you made
For the title that they gave
Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, You love me to want you
The way that I want to
If you only let it be
Now it took time for me to know
What you tried so not to show
But something in my soul just cry
I see the want in your blue eyes
Baby, I'd love you to want me
The way that I want you
The way that it should be
Baby, You love me to want you
The way that I want to
If you only let it be
Baby, I'd love you to want me
The way that I want you

The way that it should be
Baby, You love me to want you
The way that I want to
If you only let it be
