

# Raw – Loony

Ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh  
Yeah, when I wake up  
I'm not afraid to show some, mmm, initiative  
You don't make me feel like no one else, no  
Just myself, yeah  
Yeah, when we wake up  
Not a drop of liquor or of, mmm, make-up  
I know you don't want nobody else, no  
Just myself, yeah  
Lights may burn brighter at night  
But I can't see nothing that I like  
The night we don't need to hide behind  
I love you most in the daylight  
Let me see, baby  
See you for all you are  
I just want you raw, raw  
Let me see, baby  
Need you for who you are  
I just want you raw, raw  
The original, unprocessed  
This shit is just what it is,  
no need for context  
I got the eye for it, got the time for it  
I was taught to save my whole life,  
now I can't afford  
I was taught that it was dirty  
When it was the purest  
Yeah, they told us what was ugly,  
They be starting wars  
Used to only like it off the liquor,  
now I want it all unfiltered  
You can have it any way,  
Waking up to you amazing

Lights may burn brighter at night  
But I can't see nothing that I like  
The night we don't need to hide behind  
I love you most in the daylight  
Life can use flash camera at night  
Can't catch the details that I like  
Excited within by what's outside  
I love you most in the daylight  
Let me see, baby  
See you for all you are  
I just want you raw, raw  
Let me see, baby  
Need you for who you are  
I just want you raw, raw
