

# Crazy – Lost Frequencies & Zonderling

Oh Lord

Hear me turn these words into a song

For them to sing along to when I'm gone

For them to sing along to when I'm gone

Oh Lord

Let me be the one to set them free

I will give them every part of me

Put my heart where everyone can see

They can call me whatever they want

Call me crazy

You can call me whatever you want

But that won't change me

I just don't care what the world says

I'm gonna make it

They can call me whatever they want

So what if I am, crazy

Crazy

Oh Lord

This is so much harder than I thought  
But I will give them everything I've got  
One day I am gonna prove them wrong  
Oh Lord  
Let me be the one to set them free  
I will give them every part of me  
Put my heart where everyone can see  
They can call me whatever they want  
Call me crazy  
You can call me whatever you want  
But that won't change me  
I just don't care what the world says  
I'm gonna make it  
They can call me whatever they want  
So what if I am, crazy  
Crazy
