

Love is the only thing – Lost Frequencies

It heals me when I'm broken
Brings me in from the cold
And in my darkest moments
It illuminates my soul
There is no greater power
No higher place to be
And if I say the words out louder
Will they cover you and me? Oh
Love, love is the only thing
(Is the only thing)
Open up your heart, let all the sunshine in
Oh, love
(Love),
Love is the only thing
And the more you give,
The more you get back again
There is no greater power
No higher place to be
(No, no-no)
And if I say the words out louder
Will they come and rescue me?
Love, love is the only thing
(Only thing)
Open up your heart
And let all the sunshine in
(Let the sunshine in)
Oh, love, love is the only thing
And the more you give,
The more you get back again
Love, love is the only thing
(Only thing)
Open up your heart
And let all the sunshine in
Oh, love, love is the only thing
(The only thing)

And the more you give,
The more you get back again
