

# Reality – Lost Frequencies

Decisions as I go,  
To anywhere I flow  
Sometimes I believe,  
At times when I should know  
A I can fly high,  
I can go low  
Today I got a million,  
Tomorrow, I don't know  
A Decisions as I go,  
To anywhere I flow  
Sometimes I believe,  
At times when I should know  
I can fly high,  
I can go low  
Today I got a million,  
Tomorrow, I don't know  
Stop claiming what you own,  
Don't think about the show  
We're all playing the same game,  
Waiting on our loan  
We're unknown and known,  
special and a clone  
Hate will make you cautious,  
Love will make you glow  
Make me feel the warmth,  
Make me feel the cold  
It's written in our stories,  
It's written on the walls  
This is our call,  
We rise and we fall  
Dancing in the moonlight,  
Don't we have it all?  
Decisions as I go,  
To anywhere I flow  
Sometimes I believe,  
At times when I should know

I can fly high,  
I can go low  
Today I got a million,  
Tomorrow, I don't know  
Make me feel the warmth,  
Make me feel the cold  
It's written in our stories,  
It's written on the walls  
This is our call,  
We rise and we fall  
Dancing in the moonlight,  
Don't we have it all?
