

# Never Give Up On You – Lucie Jones

Tell me your secrets  
I'll keep them safe  
No sign of weakness  
It's a sign of faith  
We'll stand tall  
So you don't fall  
You're not defeated  
You're in repair  
Don't have to call me  
I'll always be there  
We'll stand tall  
So you don't fall  
If you could see how far you've walked  
You would see that's all not lost  
I will never give up on you  
I don't care what I've got to lose  
Just give me your hand and hold on  
Together we'll dance through this storm  
I will never give up on you  
You're the one that I'm running to  
Just give me your hand and hold on  
Together we'll dance through this storm  
Under the surface  
I see you glow  
I'm right beside you  
You're never alone  
Don't let go  
When you're so close  
If you could see how far you've walked  
You would see that's all not lost  
I will never give up on you  
I don't care what I've got to lose  
Just give me your hand and hold on  
Together we'll dance through this storm  
I will never give up on you  
You're the one that I'm running to

Just give me your hand and hold on  
Together we'll dancing through...  
This madness  
We're running through  
This magic  
It's inside of you  
It's madness  
It's madness  
Now you can see how you've walked  
The mountain climbed  
The oceans crossed  
I don't care what I've got to lose  
Just give me your hand and hold on  
Together we'll dance through this storm  
I will never give up on you  
You're the one that I'm running to  
Just give me your hand and hold on  
Together we'll dance through this storm
