

# Nothing else matters – Lucie Silvas

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters  
Never opened myself this way  
Life is ours, we live it our way  
All these words I just don't say  
Cause nothing else matters  
Never cared for what they do, no  
Never cared for what they know, no  
But I know  
So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters  
Never cared for what they do, no  
Never cared for games they know  
Never cared for what they do, no  
Never cared for what they know  
And I know  
Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
Cause nothing else matters  
So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
No nothing else matters  
No nothing else matters
