## Dance With My Father – Luther Vandross

Back when I was a child Before life removed all the innocence My father would lift me high And dance with my mother and me And then Spin me around 'til I fell asleep Then up the stairs he would carry me And I knew for sure I was loved

If I could get another chance Another walk, another dance with him I'd play a song that would never, ever end How I'd love, love, love To dance with my father again Oh

When I and my mother would disagree To get my way, I would run from her to him He'd make me laugh just to comfort me Yeah yeah Then finally make me do just what my mama said Later that night when I was asleep He left a dollar under my sheet Never dreamed that he would be gone from me

If I could steal one final glance One final step, one final dance with him I'd play a song that would never, ever end 'Cause I'd love, love, love To dance with my father again

Sometimes I'd listen outside her door And I'd hear how my mother cried for him I pray for her even more than me I pray for her even more than me Yeah mmm mmm yeah I know I'm praying for much too much But could you send back the only man she loved I know you don't do it usually But dear Lord she's dying To dance with my father again Every night I fall asleep and this is all I ever dream Oh yeah yeah

 $\mathcal{O}$ 

I know you don't do it usually But dear Lord she's dying To dance with my father agai
