

Kamikaze – MØ

Let it all go
Come on man, I already know
We gotta go dig up a riot
If we wanna fly free (if we wanna fly free)
Doggies and dolls
I wanna be facing them all
Light up my fire
I need to get in too deep
Take me to the party
Kami-Kamikaze
Blame it on the buzz
I am never gonna get enough
Take me to the party
Kami-Kamikaze
Leave me on the bus
I am never gon', never gonna get enough
Kamikaze, yeah
Hey, hey
Kami
You say you want
Someone to be wasting your time
Well I'm your partner-in-crime, boy
You should fly away with me
Saturday night
Was never really meant to do right
So come on, feed the meat to the tiger
We need to get in too deep
Take me to the party
Kami-Kamikaze
Blame it on the buzz
I am never gonna get enough
Take me to the party
Kami-Kamikaze
Leave me on the bus
I am never gon', never gonna get enough
Kamikaze, yeah

Hey, hey
Kami
We got one, two, three
'til the end of the world
We got one, two, three
'til the end of the world
We got one 'til we die, 'til we die
I'm never gonna learn
We got one, two, three,
'til the end of the world
We got one, two, three,
'til the end of the world
We got one 'til we die, 'til we die
I'm never gonna get it, I'm never gonna get
Take me to the party
Kami-Kamikaze
Blame it on the buzz
I am never gonna get enough
Take me to the party
Kami-Kamikaze
Leave me on the bus
I am never gon', never gonna get enough
Kamikaze, yeah
Hey, hey
Kami
Kamikaze
Hey, hey
Kamikaze, yeah
