

# GOSSIP ft. Tom Morello – Måneskin

Welcome to the city of lies  
Where everything's got a price  
It's gonna be your new favorite place

You can be a movie star  
And get everything you want  
Just put some plastic on your face

This place is a circus, you just see the surface  
They cover shit under the rug  
You can't see they're faking, they'll never be naked  
Just fill your drink with tonic gin, this is the American dream, so

Sip the gossip, drink 'til you choke  
Sip the gossip, burn down your throat  
You're not iconic, you are just like them all  
Don't act like you don't know, so

Sip the gossip, drink 'til you choke  
Sip the gossip, burn down your throat  
You're not iconic, you are just like them all  
Don't act like you don't know, ooh

Keep drinking and acting cool  
Don't care if your day is blue  
Nobody loves a gloomy face, just

Take your pills and dance all night  
Don't think at all, that's the advice  
So c'mon, let's try, it's just a taste

This place is a circus, you just see the surface  
They cover shit under the rug  
You can't see they're faking, they'll never be naked  
Just fill your drink with tonic gin, this is the American dream, so

Sip the gossip, drink 'til you choke  
Sip the gossip, burn down your throat  
You're not iconic, you are just like them all  
Don't act like you don't know, so

Sip the gossip, drink 'til you choke  
Sip the gossip, burn down your throat  
You're not iconic, you are just like them all  
Don't act like you don't know, ooh

So sip the gossip, drink 'til you choke  
Sip the gossip, burn down your throat  
You're not iconic, you are just like them all  
Don't act like you don't know, ooh
