

The Loneliest – Måneskin

You'll be the saddest part of me
A part of me that will never be mine
It's obvious
Tonight is gonna be the loneliest
You're still the oxygen I breathe
I see your face when I close my eyes
It's torturous
Tonight is gonna be the loneliest

There's a few lines that I have wrote
In case of death, that's what I want
That's what I want
So don't be sad when I'll be gone
There's just one thing I hope you know
I loved you so

'Cause I don't even care about the time I've got left here
The only thing I know now is that I want to spend it
With you, with you, nobody else here
Tonight is gonna be the loneliest

You'll be the saddest part of me
A part of me that will never be mine
It's obvious
Tonight is gonna be the loneliest
You're still the oxygen I breathe
I see your face when I close my eyes
It's torturous
Tonight is gonna be the loneliest

I'm sorry but I gotta go
If you'll ever miss me
Give this song another go
And I just keep on thinking how you made me feel better
And all the crazy little things that we did together
In the end, in the end, it doesn't matter

If tonight is gonna be the loneliest

You'll be the saddest part of me
A part of me that will never be mine
It's obvious
Tonight is gonna be the loneliest
You're still the oxygen I breathe
I see your face when I close my eyes
It's torturous
Tonight is gonna be the loneliest
You might also like

You'll be the saddest part of me
A part of me that will never be mine
It's obvious
Tonight is gonna be the loneliest
You'll be the saddest part of me
A part of me that will never be mine
It's obvious
Tonight is gonna be the loneliest
You're still the oxygen I breathe
I see your face when I close my eyes
It's torturous
Tonight is gonna be the loneliest
