

# A Monster Like Me – Mørland & Debrah Scarlett

Honey, I'm telling the truth  
I did something terrible in my early youth  
My mind went blank, I lost control  
I was just a little boy, I did not know  
I better let you go  
To find the prince you thought you found in me  
I better set you free and give you up  
Just wave and say goodbye and let you live  
Without a monster like me  
Honey, what am I to you?  
I have pulled the trigger on this awful truth  
Oh, hold me now 'cause I'm burning up  
Sing me something beautiful, just make it stop  
I better let you go  
To find the prince you thought you found in me  
I better set you free and give you up  
Just wave and say goodbye and let you live  
Without a monster like me  
Oh... oh...  
Oh... oh...  
Just go  
To find the prince you thought you found in me  
I better set you free and give you up  
Just wave and say goodbye and let you live  
Without a monster like me, oh  
Without a monster like me
