My Kind Of Woman - Mac DeMarco

Oh baby, Oh man You're making my crazy, Really driving me mad That's all right with me, It's really no fuss As long as you're next to me, Just the two of us You're my, my, my, My kind of woman My, oh my, What a girl You're my, my, my, My kind of woman And I'm down on my hands and knees Begging you please, baby, Show me your world Oh brother, Sweetheart I'm feeling so tired Really falling apart And it just don't make sense to me I really don't know Why you stick right next to me Or wherever I go You're my, my, my, My kind of woman My, oh my, What a girl You're my, my, my, My kind of woman And I'm down on my hands and knees Begging you please, baby, Show me your world
