

# Spinnin – Madison Beer

Did the world stop spinnin'?  
Nothin' seems to change  
I'm stuck at the beginnin' and I'm in pain  
Did the sun stop risin'? '  
Cause the sky's so gray  
Did the world stop spinnin' today?  
I woke up, fell back to sleep  
'Cause I'd rather live in my dreams  
I lay here wondering why  
Did the world stop spinnin'?  
Am I frozen in time?  
'Cause the birds stopped singin'  
, are we flawed by design?  
My heartbeat's racin' like a strange ballet  
Did the world stop spinnin' today?  
I woke up, fell back to sleep (Sleep)  
'Cause I'd rather live in my dreams (Ah)  
I lay here wondering why  
Did the world stop spinning or did I?

The world has stopped spinning  
The lights are all dimming and, ah  
The world has stopped spinning  
The end is beginning and, ah  
(Ah, ah)  
(Ah, ah)  
Oh, the world stopped spinnin'  
, nothin' seems to change  
I'm stuck at the beginnin'

and I'm still in pain  
Why'd the sun stop shinin'?  
Why's the sky still gray?  
Oh, the world stopped spinnin' today
