

Yes baby – Madison Beer

Speakin' to me soft like silky sheets
Figures in the dark, two heartbeats
Basically a god, you pray to me
Whisper in the dark, you want me
It's a look (it's a look),
It's a touch (it's a touch)
It's a dangerous kind of crush
Say it once (say it once),
Say it twice (say it twice)
Come and say it another time
Yes, baby, yes, yes, baby, yes, yes (huh)
Yes, baby, yes, yes, baby,
Yes, yes, baby (yes, baby, yes)
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes,
Baby, yes, yes, baby (yes, baby, yes)
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes,
Baby, yes, yes, baby
(so put the work in, cut your teeth)
Yes, baby, yes, yes,
Baby, yes, yes, baby
Yes, baby, yes, yes,
Baby, yes, yes, baby
(it's the least you could do for me)
Yes, baby, yes, yes, baby,
Yes, yes, baby (I just wanna hear you say)
Yes, baby
Yes, baby
Yes, baby
Yes, baby, yes, yes
Something in the way you're watching me
Talking to me nice and slowly
I promise if you ask, you will receive
Come a little closer to me
It's a look (it's a look),

It's a touch (it's a touch)
It's a dangerous kind of crush
Say it once (say it once),
Say it twice (say it twice)
Come and say it another time
Yes, baby, yes, yes, baby, yes, yes (huh)
Yes, baby, yes, yes, baby,
Yes, yes, baby (yes, baby, yes)
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes, baby,
Yes, yes, baby (yes, baby, yes)
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes, baby,
Yes, yes, baby
(so put the work in, cut your teeth)
Yes, baby, yes, yes, baby,
Yes, yes, baby (don't you wanna hear me say?)
Yes, baby, yes, yes, baby,
Yes, yes, baby
(it's the least you could do for me)
Yes, baby, yes,
Yes, baby, yes, yes, baby
(I just wanna hear you say)
Yes, baby
Yes, baby
Yes, baby
Yes, baby, yes, yes
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, baby, yes, yes, baby, yes, yes, baby
Yes, yes, yes, yes, yes, yes, yes, yes
