

# Stand Tall – Madison Reyes, Charles Gillespie, Owen Joyner, Jeremy Shada

Don't blink  
No, I don't want to miss it  
One thing, and it's back to the beginning  
'Cause everything is rushing in fast  
Keep going on never look back  
And it's one, two, three, four times  
That I'll try for one more night  
Light a fire in my eyes  
I'm going out of my mind  
Whatever happens  
Even if I'm the last standing  
I'ma stand tall  
I'ma stand tall  
Whatever happens  
Even when everything's down  
I'ma stand tall  
I'ma stand tall  
I gotta keep on dreaming  
'Cause I gotta catch that feeling  
Whatever happens  
Even if I'm the last standing  
I'ma stand tall  
I'ma stand tall  
Right now  
I'm loving every minute  
Hands down  
Can't let myself forget it, no  
'Cause everything is rushing in fast  
Keep holding on, never look back  
And it's one, two, three, four times  
That I'll try for one more night  
Light a fire in my eyes  
I'm going out of my mind  
Whatever happens  
Even if I'm the last standing

I'ma stand tall  
I'ma stand tall  
Whatever happens  
Even when everything's down  
I'ma stand tall  
I'ma stand tall  
I gotta keep on dreaming  
'Cause I gotta catch that feeling  
Whatever happens  
Even if I'm the last standing  
I'ma stand tall  
I'ma stand tall  
Like I'm glowing in the dark  
I keep on going when it's all falling apart  
Yeah I know it with all my heart  
Ooh, ooh  
Never look back  
Whatever happens  
Even if I'm the last standing  
I'ma stand tall  
I'ma stand tall  
Whatever happens  
Even if I'm the last standing  
I'ma stand tall  
I'ma stand tall  
Stand tall  
Stand tall  
Whatever happens  
Even if I'm the last standing  
I'ma stand tall  
I'ma stand tall  
Whatever happens  
Even when everything's down  
I'ma stand tall  
I'ma stand tall  
I gotta keep on dreaming  
'Cause I gotta catch that feeling  
Whatever happens  
Even if I'm the last standing

I'ma stand tall  
I'ma stand tall
