

Wake Up – Madison Reyes

Here's one thing I want you to know
You got someplace to go
Life's a test, yes, but you go toe-to-toe
You don't give up, no, you grow
And you use your pain
'Cause it makes you "you"
Though I wish I could hold you through it
I know it's not the same
You got living to do
And I just want you to do it
So get up, get out, relight that spark
You know the rest by heart
Wake up, wake up if it's all you do
Look out, look inside of you
It's not what you lost
It's what you'll gain raising your voice
In the rain
Wake up your dream and make it true
Look out, look inside of you
It's not what you lost
Relight that spark,
Time to come out of the dark
Wake up, wake up
Better wake those demons
Just look them in the eye
No reason not to try
Life can be a mess
I won't let it cloud my mind
I'll let my fingers fly
And I use the pain 'cause it's part of me
And I'm ready to power through it
Gonna find the strength, find the melody
'Cause you showed me how to do it
Get up, get out, relight that spark
You know the rest by heart
Wake up, wake up if it's all you do

Look out, look inside of you
It's not what you lost
It's what you'll gain raising your voice
In the rain
Wake up your dream and make it true
Look out, look inside of you
It's not what you lost
Relight that spark,
Time to come out of the dark
Wake up, wake up
So wake that spirit, spirit
I wanna hear it, hear it
No need to fear it, you're not alone
You're gonna find your way, oh
Wake up, wake up if it's all you do
Look out, look inside of you
It's not what you lost
It's what you'll gain raising your voice
In the rain
Wake up your dream and make it true
Look out,
Look inside of you
When you feel lost
Relight that spark,
Time to come out of the dark
Wake up
Mm-mm, wake up
