THE LONELIEST – Madmatti aka Clyde1(Cover Maneskin)

You'll be the saddest part of me A part of me that will never be mine It's obvious Tonight is gonna be the loneliest You're still the oxygen I breathe I see your face when I close my eyes It's torturous Tonight is gonna be the loneliest There's a few lines that I have wrote In case of death, that's what I waaaaant, That's what I want So don't be sad when I'll be gone There's just one thing I hope you knooow, I loved you so 'Cause I don't even care about the time I've got left here The only thing I know now is that I wanna spend it With you, with you nobody else here Tonight is gonna be the loneliest You'll be the saddest part of me A part of me that will never be mine It's obvious Tonight is gonna be the loneliest You're still the oxygen I breathe I see your face when I close my eyes It's torturous Tonight is gonna be the loneliest I'm sorry but I gotta go If you'll ever miss me Give this soooooooong another go And I just keep on thinking How you made me feel better And all the crazy little things

That we did together

In the end, in the end, it doesn't matter If tonight is gonna be the loneliest You'll be the saddest part of me A part of me that will never be mine It's obvious Tonight is gonna be the loneliest You're still the oxygen I breathe I see your face when I close my eyes It's torturous Tonight is gonna be the lonelieeeeest You'll be the saddest part of me A part of me that will never be mine It's obvious Tonight is gonna be the loneliest You'll be the saddest part of me A part of me that will never be mine It's obvious Tonight is gonna be the loneliest You're still the oxygen I breathe I see your face when I close my eyes It's torturous Tonight is gonna be the loneliest
