

# American Pie – Madonna

A long, long time ago I can still remember  
How that music used to make me smile  
And I knew that if I had my chance  
I could make those people dance  
And maybe they'd be happy for a while  
Did you write the book of love?  
And do you have faith in God above  
If the Bible tells you so?  
Now do you believe in rock 'n' roll?  
And can music save your mortal soul?  
And can you teach me how to dance real slow  
Well, I know that you're in love with him  
'Cause I saw you dancing in the gym  
You both kicked off your shoes  
(Both kicked off your shoes)  
Man, I dig those rhythm and blues  
I was a lonely teenage broncing buck  
With a pink carnation and a pickup truck  
But I knew that I was out of luck  
The day the music died  
I started singing  
Bye bye Miss American Pie  
Drove my Chevy to the levee  
But the levee was dry  
And good old boys  
Were drinking whiskey and rye  
Singing this will be the day that I die  
This will be the day that I die  
I met a girl who sang the blues  
And I asked her for some happy news  
But she just smiled and turned away  
Well, I went down to the sacred store  
Where I'd heard the music years before  
But the man there  
Said the music wouldn't play  
Well now in the streets the children screamed

(The children screamed)  
The lovers cried and the poets dreamed  
(The poets dreamed)  
But not a word was spoken  
(Not a word was spoken)  
The church bells all were broken  
And the three men I admire the most  
The Father, Son and the Holy Ghost  
They caught the last train for the coast  
The day the music died  
We started singing  
Bye bye Miss American Pie  
Drove my Chevy to the levee  
But the levee was dry  
And good old boys  
Were drinking whiskey and rye  
Singing this will be the day that I die  
This will be the day that I die  
Bye bye Miss American Pie  
Drove my Chevy to the levee  
But the levee was dry  
And good old boys  
Were drinking whiskey and rye  
Singing this will be the day that I die  
This will be the day that I die
