

Rain – Madonna

Rain, feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain, wash away my sorrow
Take away my pain
Your love's coming down like rain
When your lips are burning mine
And you take the time to tell me how you feel
When you listen to my words
And I know you've heard, I know it's real
Rain is what the thunder brings
For the first time I can hear my heart sing
Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
'Til I feel your
Rain, feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain, wash away my sorrow
Take away my pain
Your love's coming down like rain
When you looked into my eyes
And you said goodbye could you see my tears
When I turned the other way
Did you hear me say
I'd wait for all the dark clouds
Bursting in a perfect sky
You promised me when you said goodbye
That you'd return when the storm was done
And now I'll wait for the light,
I'll wait for the sun
'Til I feel your
Rain, feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain, wash away my sorrow

Take away my pain
Your love's coming down like
Here comes the sun, here comes the sun
And I say, never go away
Waiting is the hardest thing
(It's strange)
I tell myself that if I believe in you
(I feel like I've known you before)
In the dream of you
(And I want to understand you)
With all my heart and all my soul
(More and more and more)
That by sheer force of will
(When I'm with you
I will raise you from the ground)
Rain is what the thunder brings
For the first time I can hear my heart sing
Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
'Til I feel your

Rain
I feel it
It's coming
Your love's coming down like

Rain
I feel it
It's coming
Your love's coming down like

Rain
Feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain, wash away my sorrow
Take away my pain

Your love's coming down like rain
I feel it
It's coming
Your love's coming down like rain
I feel it
It's coming

Your love's coming down like rain
I'll stand out on the mountain top
Until I hear you call my name
Rain
