

I had it all, now I have none... – Magda Zdroik

I had it all
Now I have none
My life's a mess
It's not much fun
I used to have love
I used to have friends
But now I'm alone
My heart just bends
Money and fame
They came and went
I thought they'd stay,
But they were just a trend
I had it all
Or so I thought
But now I'm lost
My dreams are caught
I had it all
Now I have none
My life's a mess
It's not much fun
I used to have love
I used to have friends
But now I'm alone
My heart just bends
I miss the days
When life was bright
When everything
Felt just right
But now I'm here
With nothing to show
Just memories
Of a life ago
I had it all
Now I have none
My life's a mess
It's not much fun

I used to have love
I used to have friends
But now I'm alone
My heart just bends
I wish I could
Go back in time
And make things right
And make them mine
But now I'm here
With nothing to hold
Just a heart that's broken
And a story untold
I had it all
Now I have none
My life's a mess
It's not much fun
I used to have love
I used to have friends
But now I'm alone
My heart just bends
