

I wanna! – Magda Zdroik

I wanna feel the sun on my skin
I wanna taste the freedom within
I wanna soar like a bird in the sky
I wanna live life with no fear or lie
Very want, very need
To break free from this routine
Very want, very need
To chase my dreams,
Make them come true indeed
I wanna see the world, explore
I wanna learn what life has in store
I wanna dance in the pouring rain
I wanna live without any restrain
Very want, very need
To break free from this routine
Very want, very need
To chase my dreams,
Make them come true indeed
I won't wait for tomorrow
No more pain, no more sorrow
I'll take a step forward, I'll take a leap
I'll chase my dreams, I'll make them my keep
I wanna taste
I wanna feel
I wanna soar
I wanna live
I wanna learn
I wanna see
I wanna dance
I wanna live
I wanna!
