

My loving heart – Magda Zdroik

My heart beats fast,
It's hard to ignore
It's filled with love,
Forevermore
I try to hide,
But it won't depart
This love inside,
It's in my heart
Understand my heart,
It's filled with love
It's all for you,
Sent from above
Don't turn away,
Don't break apart
Just understand,
My loving heart
My loving heart
I dream of you,
Both day and night
My heart's desire,
Burning bright
I hope someday,
You'll feel the same
And we'll be together,
In love's sweet game
Understand my heart,
It's filled with love
It's all for you,
Sent from above
Don't turn away,
Don't break apart
Just understand,
My loving heart
My loving heart
My heart is yours,
Forevermore

Just understand,
What it's beating for
Love is the answer,
To all we seek
So take my hand,
And let's be complete
Just understand my loving heart
My loving heart
