

# **We can do anything! – Magda Zdroik**

We have a plan  
We will make it!  
Strength is born in us!  
We have life  
To use! No limit  
Your life and mine!  
Together we will move mountains!  
Together we will improve the world!  
Together we can do anything!  
Together we can do the most!  
Together we will move mountains!  
Together we will improve the world!  
Together we can do anything!  
Together we can do the most!  
We have a chance  
Let's use it!  
True courage is to overcome fear  
We have the same plan  
We have each other!  
Together we will move mountains!  
Together we will improve the world!  
Together we can do anything!  
Together we can do the most!  
Together we will move mountains!  
Together we will improve the world!  
Together we can do anything!  
Together we can do the most!  
Now I have a friend who gave me life!  
She gave good, strength, love and dreams!  
Now I see my biggest mistake  
I didn't give her anything  
That I sing this song!  
That I sing this song!  
Together we will move mountains!  
Together we will improve the world!  
Together we can do anything!

Together we can do the most!
