Everytime We Touch - Maggie Reilly

A shooting star fell down to earth Lightning cracked the sky Something weird is happening Something I can't deny A strange kind of magic Running through my brain Feel I'm in heaven Or going insane

'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear I could fly
Can't you feel my heart beat fast
I want this to last
Need you by my side

'Cause everytime we touch
I feel this static
And everytime we kiss
I reach for the sky
Can't you hear my heart beat so
I can't let you go
Want you in my life

The wind was like a hurricane Storm clouds filled the sky I heard a crash of thunder The earth shook in reply A strange kind of magic Running through my brain Feel like I'm in heaven Or going insane

'Cause everytime we touch I get this feeling

And everytime we kiss
I swear I could fly
Can't you hear my heart beat fast
I want this to last
Need you by my side

'Cause everytime we touch I feel this static And everytime we kiss I reach for the sky Can't you hear my heart beat so I can't let you go Want you in my life 'Cause everytime we touch I get this feeling And everytime we kiss I swear I could fly Can't you hear my heart beat fast I want this to last Need you by my side 'Cause everytime we touch I feel this static And everytime we kiss I reach for the sky Can't you hear my heart beat so I can't let you go Want you in my life
