

# Movin'On – Maia Reficco

There's a break  
There's a battle  
In my heart there's a fire burnin' on  
(burnin' on)  
And there's a crack in my armor  
And the fight for my future rages on  
(rages on)  
I feel like I'm caught in between  
Doing what is right  
And what is right for me  
I am movin' on  
(Hey!)  
On foot in front of the other  
One single day at a time  
I gotta keep moving forward  
It's time to try  
To say goodbye  
So I can fly  
I am movin' on  
(Hey!)  
I thought that we had the magic  
I thought that we were the truth  
Sometimes love can be tragic  
So it's time to try  
To say goodbye  
So I can fly  
I am movin' on  
I'm afraid  
I will crumble  
If I take another step to anywhere  
(anywhere)  
But there's sand in the castle  
Where I stand  
And I'm sinking staying near  
(staying near)  
I feel like I'm caught in between

Doing what is right  
And what is right for me  
I am movin' on  
(Hey!)  
On foot in front of the other  
One single day at a time  
I gotta keep moving forward  
It's time to try  
To say goodbye  
So I can fly  
I am movin' on  
(Hey!)  
I thought that we had the magic  
I thought that we were the truth  
Sometimes love can be tragic  
So it's time to try  
To say goodbye  
So I can fly  
I am movin' on  
Oh, I am movin' on  
Oh, I am movin' on  
I am movin' on  
I am movin' on  
(On foot in front of the other)  
(One single day at a time)  
(I gotta keep moving forward)  
It's time to try  
To say goodbye  
So I can fly  
I am movin' on  
(Hey!)  
I thought that we had the magic  
I thought that we were the truth  
Sometimes love can be tragic  
So it's time to try  
To say goodbye  
So I can fly  
I am movin' on
