

Happy Birthday to Me – Maia Reficco, Sara Cobo

It's my birthday
I do what I want
Time to forget work day
The have my cake and eat it day
And if it rains, it won't be on my parade
Don't worry 'bout it
It's time to celebrate
It's my birthday
I got the dress, got the cake
And got up early
'Cause if somebody's throwin' shade
I ain't gonna cry, if I wanna that's fine
Don't worry 'bout it
It's time to celebrate
Come on dj, just spin it
Turn the beat up, get with it
Try to keep up, cuz I am winnin' let's just
Watch the ball drop, and disco
It's time to pop, go solo
Not gonna stop, so vamonos
Oh, oh happy, happy birthday to me
No happy, happy birthday to me
Oh feliz cumpleaños para mi
Yeah, it's my birthday
Oh, oh this fiesta's open 'til 3, yeah
Party's at my castle, I'm the queen
Oh feliz cumpleaños para mi
Yeah, it's my birthday
Now I'm older
New attitude, I'm
Getting so much bolder
It's time for you to move over
I ain't gonna share my one day of the year
Forget about it
It's time to celebrate
Come on dj, just spin it

Turn the beat up, get with it
Try to keep up, cuz I am winnin', let's just
Watch the ball drop, and disco
It's time to pop, go solo
Not gonna stop, so vamonos
Oh oh happy happy birthday to me
No, happy happy birthday to me
Oh feliz cumpleaños para mi
Yeah, it's my birthday
(Oh) oh this fiesta's open 'til 3
Yeah, party's at my castle, I'm the queen
Oh feliz cumpleaños para mi
Yeah, it's my birthday
Get on up and skate that
Skate that to the discotrack
One time, two, three times
For the birthday party rhymes
Get the mic rock that high note
See if you can stay a-float
Like a copy cat
I'll copy that
How high can you go?
Happy birthday (ohhh)
To you (ohh)
Happy birthday (oh-oh-oh-oh-oh-whoa)
To you and you
Happy birthday (ohh-ohhh-ohh)
To you (heeyyyy!)
Happy birthday (woouuu!)
To you and you
Oh, oh, oh, oh, oh, happy,
Happy birthday to me
No Happy happy birthday to me
Oh feliz cumpleaños para mi
Yeah, it's my birthday
Oh, this fiesta's open 'til 3
Yeah, party's at my castle, I'm the queen
I'm the queen
Oh, feliz cumpleaños para mi

Yeah, cause it's my birthday
It's my birthday
