## No One - Maja Keuc

And you came to me one night Like a morning light Just to hold me tight Then you left and I was so alone Saying I should've known You're no good for me There's no reason I should cry No, no baby, I'll survive I don't care, I don't care No one will ever hold you tight No one will ever love you like Iust no one like I do There is no one, no one No one will ever treat you right You're the one who's never satisfied There is no one like I, like I am I can feel what you're looking for I'm not that girl no more I'm not made of stone I'm gonna stand on my own Not gonna break me down No one will stop me now No, no, no, no 'cause life is kind without you And I know I can make it through without you Life goes all around Round and round and round I feel love for sure And it's gonna get you Life goes all around Spinning all around Now you want me, don't you No one will ever hold you tight (Hold you tight) No one will ever love you like (Love you like) Now you're back, I can feel your love Oh yeah, I'm never gonna let you

No one will ever treat you right (Treat you right)

You're the one who's never satisfied (Satisfied)
After all, you can fall,
And there's no one you can reach to
No one will ever, ever love you
No one will ever, ever touch you
No one will ever, ever hold you
Turn around now, just turn around now
If you love me, yeah
No one like me, no one, no one
