

# Qami Qami – Maléna

(Haa)

I go high and

There's a place where I feel safe and free

Ayl a payly Ayl a payly kaghaki

Yela, yela, ampern i ver

I found myself, way far away

Kami kamin, indz noren ktani Herrunery depi,

ama - am - amayi u

Kani kani, ver yellam aveli

Yes kllam kami kvo pes antesaneli

Ver yenk verevum yenk el chenk yerevum menk

Hets a kamin, chem vakhenum

Vor kherrana na, vor kverana na

Na indz pahela ir grkum

Yela, yela, ampern i ver

I found myself, way far away

Kami kamin, indz noren ktani Herrunery depi,

ama - am - amayi u

Kani kani, ver yellam aveli

Yes kllam kami kvo pes antesaneli

(Haa) Kami kami, ama - am - amayi

(Haa) Kami kami, ama - am - amayi

I know you can feel it, the wind inside

The same thing in my heart

That makes me feel alive

Whenever you feel it

Don't you think of falling down again

Kami kamin, indz noren ktani Herrunery depi,

ama - am - amayi,

U Kani kani, ver yellam aveli

Yes kllam kami k'vo pes antesaneli
