

Smells like teen spirit (Black Widow Soundtrack) – Malia J (Nirvana Cover)

Load up on guns and bring your friends
It's fun to lose and to pretend
She's over-bored and self-assured
Oh no, I know a dirty word
Hello, hello, hello, how low
Hello, hello, hello, how low
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
I'm worse at what I do best
And for this gift, I feel blessed
Our little group has always been
And always will until the end
Hello, hello, hello, how low
Hello, hello, hello, how low
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto, an albino
A mosquito, my libido
And I forget just why I taste
Oh yeah, I guess it makes me smile
I found it hard, it's hard to find
Oh well, whatever, never mind
Hello, hello, hello, how low
Hello, hello, hello, how low
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A denial, a denial
A denial, a denial

A denial, a denial
A denial, a denial
