Only Hope – Mandy Moore

There's a song that's inside of my soul It's the one that I've tried To write over and over again I'm awake in the infinite cold But you sing to me over and over and over again

So I lay my head back down And I lift my hands and pray to be only yours I pray To be only yours I know now You're my only hope

Sing to me the song of the stars Of your galaxy dancing and laughing and laughing again When it feels like my dreams, so far Sing to me of the plans that you had for me over again

So I lay my head back down And I lift my hands and pray to be only yours I pray To be only yours I know now You're my only hope

I give you my destiny I'm giving you all of me I want your symphony Singing in all that I am At the top of my lungs I'm giving it back

So I lay my head back down And I lift my hands and pray to be only yours I pray To be only yours I pray To be only yours I know now You're my only hope Mmmm Mmmmm Ooooohh
