

# Here For You – Maraaya

When you're down, down low  
And there's no place you can go  
When you're down, down, love  
You know that I am here for you  
You came into my life when I was broken  
You heated up my heart when it was frozen  
And we got the flow, now it's up we go  
And now that it's your turn you wanna hide it  
A million times already you've denied it  
You don't have to fear, you don't have to fight  
When you're down, down low  
Sinking in the undertow  
When you're down, down low  
You know that I am here for you  
'Cause I know, know baby  
All the hurt you never show  
When you're down, down low  
You gotta let me heal your aching soul  
You came into my life when I was broken  
You heated up my heart when it was frozen  
And we got the flow, now it's up we go  
'Cause you released my pain, now let me take it  
Just leave it at the door and we can make it  
You don't have to hide, I am by your side  
Everybody else sees in black and white  
You look at wrong and make it right  
Can't I open your eyes?  
When you're down, down low  
Sinking in the undertow  
When you're down, down low  
You know that I am here for you  
'Cause I know, know baby  
All the hurt you never show  
When you're down, down low  
You gotta let me heal your aching soul  
'Cause I know, know baby

All the hurt you never show  
When you're down, down low  
You gotta let me heal your aching soul  
When you're down, down low  
Sinking in the undertow  
When you're down, down low  
You know that I am here for you
