

When I Dream At Night – Marc Antony

I have been in love and been alone
I have traveled over many miles to find
a home
There's that little place inside of me
That I never thought could take control
Of everything
But now I just spend all my time with anyone
Who makes me feel the way she does
'Cause I only feel alive
When I dream at night
Even though she's not real, it's all right
'Cause I only feel alive
When I dream at night
Every move that she makes, holds my eyes
And I fall for her every time
I have so many things I want to say
I'll be ready when the perfect moment comes
my way
I had never known what's right for me
'Til the night she opened up my heart and
Set it free
But now I just spend all my time with anyone
Who makes me feel the way she does
'Cause I only feel alive
When I dream at night
Even though she's not real, it's all right
'Cause I only feel alive
When I dream at night
Every move that she makes, holds my eyes
And I fall for her every time
Oh, ooh-oh, oh-ooh-oh
Oh, ooh-oh, oh-ooh-oh
Now I just spend all my time with anyone
Who makes me feel the way she does
'Cause I only feel alive (only feel alive)
When I dream at night (when you're by my

Side)

Even though she's not real, it's all right

(That's all right, baby, that's all right)

'Cause I only feel alive

When I dream at night

Every move that she makes, holds my eyes

(holds my eyes)

'Cause I only feel alive

When I dream at night

Even though she's not real, it's all right

(Oh, when I'm by your side)

'Cause I only feel alive

When I dream at night
