## Cry to me - Marc Broussard

When your baby

Leaves you all alone

And nobody

Calls you on the phone

Don't you feel like crying

Don't you feel like crying

Here I am honey

C'mon Cry to me

When your all alone

In your lonely room

And there's nothing

But the smell of her perfume

Don't you feel like crying

Don't you feel like crying

Here I am honey

C'mon Cry to me

Well nothing

Could be sadder Than a glass of wine alone

Loneliness, loneliness,

It's such a waste of time

Oh-oh yeah

You don't ever have to walk alone,

Oh you see

Come on, take my hand and baby won't you walk with me?

Oh yeah

When you're waiting for a voice to come

In the night and there is no one

Don't you feel like crying?

Don't you feel like crying?

Don't you feel like cry-cry-cry-cry

Cry-cry-cry-cry-crying?

Don't you feel like cry-cry-cry-cry

Cry-cry-cry-cry-crying?
