

# Without you – marcus and martinus

Is it over?

I just gotta know (e-oooh)

'Cause I'm reaching,

But where did you go? (e-oooh)

Tears are falling,

While I'm calling

Can't make it alone, no

It's so silent,

Nobody's home (oooh)

Tell me is it gonna be another

Lonely heart tonight?

Without you, without you!

'Cause I don't wanna wake up in

The morning

Knowing you're not mine,

Without you,

Without you!

Gotta get you back to me,

Get away my misery

(woa-oh-oh woa-oh-oh-oh)

Tell me is it gonna be another

Lonely heart tonight?

Without you,

Without you

I'm breathing,

But I'm barely alive (e-oooh)

I'm dreaming,

Of you by my side (e-oooh)

Now I'm broken,

Words are spoken,

Running through my mind

I need you,

But you're so hard to find (oooo-oh)

Tell me is it gonna be another  
Lonely heart tonight?  
Without you, without you!  
'Cause I don't wanna wake up in the morning  
Knowing you're not mine  
Without you,  
Without you!  
Gotta get you back to me,  
Get away my misery  
(woa-oh-oh woa-oh-oh-oh)  
Tell me is it gonna be another  
Lonely heart tonight?  
Without you,  
Without you

Try to talk, but I choke  
But I want,  
You to know  
That I never felt this way  
Or by nobody else and I,  
When I call you on my phone,  
Cause now when I'm all alone,  
I realize you don't know  
What you got until it's gone (o-o-o-o-oooh-o-o-o-o-oooh)  
'Cause I don't wanna wake up,  
(nooo-no-no)

Tell me is it gonna be another  
Lonely heart tonight?  
Without you, without you!  
'Cause I don't wanna wake up in  
The morning  
Knowing you're not mine  
Without you,  
Without you!  
Gotta get you back to me,  
Get away my misery  
(woa-oh-oh woa-oh-oh-oh)  
Tell me is it gonna be another  
Lonely heart tonight?

Without you,  
Without you!
