

# In My Cabana – Margaret

Oh boy I feel like dynamite  
Alright

Been workin hard all day all night  
All night

Got my best dress on me  
Gonna go get frisky  
Rather be safe than sorry

Let's go ape in my cabana  
We gon' party 'til mañana  
Uh na na

Let's go ape in my cabana  
And you can dance with me  
You dance with me

Let's go ape in my cabana  
Cabana  
We gon' party 'til mañana  
Uh na na

Let's go ape in my cabana  
Cabana na na  
And you can dance with me  
Oh boy oh boy

I got my girls so bring your friends  
Ah yeah

We never stop no we just can't  
Ah yeah

And you might kiss my red lips  
Love ain't got no limits

I don't do late so hurry

And when the sun goes up honey  
You'll get another shot on me

Let's go ape in my cabana  
We gon' party 'til mañana  
Uh na na

Let's go ape in my cabana  
And you can dance with me  
You dance with me

Let's go ape in my cabana  
Cabana  
We gon' party 'til mañana  
Uh na na

Let's go ape in my cabana  
Cabana na na  
And you can dance with me  
Oh boy oh boy

I do anything for that thrill  
Even though I know I'm gon' be ill

I want it I want it so bad  
I'd rather I'd rather do rad

Whooooa  
If it's all that I do, all I do  
I wanna do it with you

Whooooa  
If it's all that I do, all I do  
I wanna do it with you

Let's go ape in my cabana  
We gon' party 'til mañana  
Uh na na

Let's go ape in my cabana  
And you can dance with me  
You dance with me

Let's go ape in my cabana  
Cabana  
We gon' party 'til mañana  
Uh na na

Let's go ape in my cabana  
Cabana na na  
And you can dance with me  
Oh boy oh boy

Let's go ape in my cabana  
Cabana  
We gon' party 'til mañana  
Uh na na na

Let's go ape in my cabana  
Cabana na na  
And you can dance with me  
You can dance with me  
Oh boy oh boy
