

Thank You Very Much – Margaret

Space calling earth again

Say what

Houston this is the end

Are we lost?

A tick tick tick tack

Time's up

A station is shutting down

A bad luck

A Barbarella meets Godzilla

Since you invited both, cling to your pantyhose

I wanna Thank you much

Thank you very Much

Thank you very much

I wanna say I'm sorry but I'm really not

Guess I've had enough

I'm feeling dangerous

I wanna say I care, but I'm gonna say

Fresh out of gratitude

It's gone

You suck, like your attitude

I won

A flake, flakey flakey flake

So sad

I am stirred, but I will not shake

It's rad

A Barbarella she's a killer

Run to your nanny go, cling to your pantyhose

I wanna thank you much

Thank you very much

Thank you very much

I wanna say I'm sorry but I'm really not

I guess I've had enough
I'm feeling dangerous
I wanna say I care, but I'm gonna say
And no thanks
No thanks
No thanks

'bout this thrilla' in Manilla'
What goes around my friend, bites you right at the end

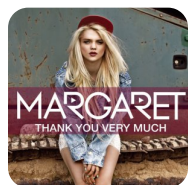

Oh oh oh oh
Nanananana
Oh nanana

I wanna thank you much
Thank you very much
Thank you very much
I wanna say I'm sorry but I'm really not
I guess I've had enough
I'm feeling dangerous
I wanna say I care, but I'm gonna say

Thank you very much
Thank you very much
I wanna say I'm sorry but I'm really not
I guess I've had enough
I'm feeling dangerous
I wanna say I care, but I'm gonna say

No no no
No thanks
No thanks

I wanna thank you much
